*Winter Series: "Nobody but Jesus"*

**"Loved to Action?"**  
**John 14:15-31**

**What is love?**

---

---

---

**John 14:15. "If you love me, you will obey what I command." Do I practice conditional love? How? How do I feel about this statement of conditional love?**

---

---

---

**Read 1 John 4:7,8. John points back to our ability to love flows from the character of God himself. If that is true, how does my ability to love relate with my understanding of God?**

---

---

---

**John 14:34 Jesus states, "Love one another as I loved you. By this all men will know you are my disciples." Am I holding onto to any anger, resentment, bitterness to another member of God's family- locally, nationally and how do I justify my feeling in light of this verse? What is my witness to others around me about Jesus because of my emotion? What do I need to do?**

---

---

---

**Jesus love for us moved him to action. What actions are you moved to because of your love for others around you, especially for those you may not like?**

---

---

---

**Read verse 23. Am I living in obedience to Jesus' teaching about love for another? Can I say I love him in light of my answer?**

---

---

---

**Sometimes Love in Action requires us to run to, not away from someone in pain. When have I done that? Is there someone I need to do that to right now?**

---

---

---

**Who will I love this week as Jesus would have me love them?**
