*"Built to Last"*

**"Inspection Time"**

*1 Peter 5:1-5*

What keeps me from being willing to serve?

---

---

---

In 1 Peter 5:1 Peter gives some instructions to leaders, which extends to each of us. When you look a leader in the church, what do you look for? Do you consider yourself a leader?

---

---

---

Read 2 Corinthians 11:23. Am I more likely to look to my weaknesses of my strengths in determining when and how to serve? What weaknesses can God use to help others?

---

---

---

Read 1 Peter 5:2-4 again. How willing am I to serve? What obstacles keep me from service? What excuses do I make?

---

---

---

---

---

---

---

Compare Exodus 4:13-14 and Isaiah 6:8. Which best describes me? Why?

---

---

---

Jesus makes some seemingly harsh demands in Matthew 16:24-26. How do Jesus' words resonate with me?

---

---

---

Do I live my life as if, "Jesus Always Wins?"

---

---

---

Read Romans 8:37-39. Ask yourself the question, "If I could do anything for God and knew it would not fail, what would I do?" Will you take time to pray with God and see what steps He would have you take next?
